MEMO for David Wilson

David Ill tell you this buddy boy.

There is no way Donald Dewar will be at the wedding of Laura Walker ~~and~~  
and the wife beating M.P.

Whether Jimmy goes to court or withdraws the action there  
is going to be a huge amount of publicity over this case not only  
generated by Catherine and myself and journalists we know  
but by M.P.'S in the labour party who know Jimmy to be a wife beating  
little moron.

David a lot of people ~~grow~~ up in the Gorbals and they do not  
end up beating and intimidating women.

While you are at it tell that little toerag he had better be careful  
what he says to people in the ~~labour~~ party about me.

I at least do have a reputation to defend and by Christ I will

P.S. Kind regards to your vacuous little wife.

  
FIONA HARVEY.
